FOR IMMEDIATE RELEASE:

**PMbuzz.com Presents the Official After-Party for “Grey” by Koury Angelo
A Fashion Week Kick-off Celebration – with Spirits Sponsor, TY KU and DJ Dom Rocket**

NEW YORK, NY – On Wednesday Night, September 5th, www.PMbuzz.com, the **world’s premiere nightlife social networking site**, will take New York City by storm with an event that fuses fashion, art, and nightlife on the opening night of Mercedes-Benz September Fashion Week, 2007.

Just officially launched to the New York City public on August 9th, **PMbuzz.com** is *the* destination for clubs, venues, promoters, DJ’s and nightlife enthusiasts to interact. This niche community connects New York’s party-going elite to the City’s trendiest nightlife scenes. After a successful launch party, hosted by the gossip gangstar himself, Perez Hilton, PMBuzz.com hosts their premiere Fashion Week event with Koury Angelo’s debut exhibition, “Grey”.

PMbuzz.com has linked up with *Overspray Magazine*, to sponsor and promote the opening of “Grey” to the art, fashion and nightlife elite. The subsequent After Party hosted by the PMbuzz team will be held at the Chelsea nightclub HOME, where guests can enjoy complimentary cocktails by TY KU while listening to DJ Dom Rocket on the turntables.

“Grey” is Koury Angelo’s first solo exhibition, a photographic collection that will fittingly kick-off as a salute to Fashion Week. Known for his talent on photo shoots with “Dancing With The Stars”, Milk Studios, and *Movement Magazine*, Angelo’s work promises to visually compliment the runway shows that will be taking over the City next week. The exhibit will debut at the Rocket Garage headquarters, a lofty space on West 29th Street that is home to the music and model management company. *Overspray Magazine* was founded by Rocket Garage model, “iO”, who is excited to use her NYC street-savvy to co-promote “Grey” along side nightlife landmark: **PMbuzz.com**.

The day after the “Grey” event, photos of the evening’s revelry will go live on PMbuzz.com for all to see. Thousands of PMbuzz.com members are taking advantage of this new social network on a daily basis to create user profiles, identify “friends”, share media, blog, find out what’s going on where (and when), and discover photos of recent events.
